GROUNDWATER SUSTAINABILITY AGENCY WRITTEN COMMENT ON WELL PERMIT APPLICATION

Kings County Ordinance 14A-22 (Application Procedure for Well Permits) states that, within two days of receipt of a complete well permit application, the building official shall submit a copy of the permit application to the compliance agency, for the agency to review and provide written comment to the county for its consideration. In the county's effort to comply with Executive Order N-7-22, the county is requesting that applicants obtain these comments from the appropriate Groundwater Sustainability Agency in advance, to be submitted with the permit application.
